Regarding Year 11 (2017), qualifications are on the spreadsheet. In terms of expectations, these were not met. There were 4 pupils and the hope was that each would get a Maths, English and ICT qualification along with some short courses Asdan quals too. In reality 1/4 gained an English related qual, 2/4 gained a Maths qual and 1/4 got their ICT. As like previous years pupils have further opportunities to pass these before they leave at the end of Post 16.
