Monday 4th October 2021

Dear Parents/ Carers,

I wanted to update you with the latest Covid information from school and the measures we are implementing as a result.

Following a small number of covid positive cases at our upper school site (Hartington Road site) we have sought advice from Public Health England.

During this period we will limit the movement between the two sites for both staff and pupils and on line learning will be delivered from staff who usually cross the sites.

For both school sites we will limit:

- Visitors coming in to school
- Parents coming onto site.
- Face to face staff group meetings e.g. training for staff will return to on line access.

We continue to encourage staff and students to take twice weekly lateral flow tests.
We have increased the hygiene in school with regular cleaning of surfaces and hand hygiene.

All windows in school are open to support increased ventilation.

Thank you for your continued support.

Yours Sincerely,

Gill Wilson
Head teacher
