

English

Pupils will focus on the stories of Roald Dahl. Which will lead into work encouraging pupils to develop more creative writing, developing characters, write descriptively and explore language techniques.

Mathematics

Pupils will develop their understanding and application of **money** and the **position and direction of shape**. Then pupils will apply knowledge of **multiplication and division** and later in the term **fractions**.

Science

Pupils will develop a better understanding of the respiratory system. Then we will also learn about gases we inhale and exhale and the importance. Pupils will spend time learning about energy and the different types.

Computing

Pupils will study a range of multimedia applications, learning how to combine text, images and audio. They will learn how to consider and use these skills to present information in different forms and their uses.

Humanities

Pupils will continue to learn about medieval times. Looking at daily life in this period, artworks and literature from this period. The invasions that happened and the lasting impact, focusing specifically on our local area.

P.S.H.E

Pupils will further develop their understanding of the importance of personal hygiene. Researching numerous products and focusing on analysing changes pupils can make to their lifestyles to keep clean and avoiding spreading

DA Class Newsletter Autumn 'B' 2021

Religious Education

Pupils will study the role religion plays worldwide. How worship takes place in the world's major religions. We will investigate and study the role religion plays in communities around the world.

Physical Education

Pupils will be learning about and participating in net and wall games. This will include tennis and badminton. Pupils will be reminded about the importance of warming up and physical activity to improve our lifestyle.

Creative

Pupils will continue to learn about colour theory and how it is used to create abstract art. We will look at how shape can be used as a visual element in artworks to represent feelings in the composition of art.

Social Communication

Pupils will focus on how to change negative thinking and cope with stress. We will reflect on case studies and our own experience, before we set ourselves SMART targets to nurture our wellbeing.

English

Please encourage your child to read at home and question them to help with comprehension.
