

English

Pupils will be developing reading, writing, and speaking and listening skills through the studying of 'War Horse'. We will explore and write character profiles as well as using the story to inspire our own writing.

Mathematics

Pupils will develop their understanding of place value before developing their ability to add and subtract using different strategies. Later in the half term pupils will further develop their understanding of shape (2D & 3D)

Science

Through carrying out experiments, including mixing, eating and burning, pupils will learn about chemical reactions, including that new things are always made. They will also carry out an investigation on how to make a reaction bigger.

Computing

Learners will apply their knowledge and understanding of networks, to appreciate the internet as a network of networks which need to be secure. They will learn that the World Wide Web is part of the internet.

Humanities

Pupils will develop knowledge and understanding of the Norman conquest of England – time will be spent studying various castles and their importance in the development of the country

P.S.H.E

This half term we are looking at the importance of being healthy through exercise and eating. We will learn about the positive impact of regular exercise and having a healthy diet has on the body.

Secondary Class AB Newsletter Autumn 'A' 2021

Religious Education.

Through this unit pupils will learn about some of the signs, symbols, people and stories relating to the Christian faith. These will include places of worship, 'Who Jesus is' and the Story of the Good Samaritan.

Physical Education

Pupils will be participating in 'Dancing through the decades'. Each week they will develop their motor and memory skills as they learn and practise a new routine including the Charleston, the twist and dance moves from Fortnite.

Creative

During our Japanese Art unit pupils will practise and develop their skills of how to mix colours, tones and shades. They will then use these skills to produce their own Japanese landscape before developing their origami skills.

Social Communication

Through our unit pupils will develop their understanding of the need for a personal hygiene routine. They will develop their understanding of why different people use different products and they will devise their own routine.
