Dear parents,

We are delighted to attach the confirmed details of our Summer Fete. Preparations are well under way and we have attached some important diary dates for you to make a note of (see on next page).

As always, for this type of event, volunteers and support is always needed. We would truly appreciate any help that you are able to offer. We have highlighted areas that we need support with on the diary dates.

We will also need at the fete itself and I will be producing a help rota. Please get in touch (email address below) if you are free to help on the day!

Any raffle donations are also greatly appreciated and can be dropped into school or sent via email to myself.

Once again, we are so grateful for all of your support.
