Monday 4th Jan 2021

Dear Parents and Carers at Woodlawn School,

I feel as though every announcement I will have to make over the coming days needs to start with a heartfelt apology for the circumstances that face our children and you, our parents and carers.

In terms of making a decision for the remainder of this week and for next week, I have analysed every data source available to me and considered the national, local and community situation as it changes and develops.

Based on Covid-19 information, the Chair of Governors Hilary Harrison and I have made the following decision.

To close the school for another additional day on Tuesday 5th January 2021. I am aware as I write this letter the Prime Minister is making an announcement this evening with more potential restrictions. As a school, we will work to plan and meet these requirements.

Please read the updates via our school website. We will monitor the situation very closely and inform you of any changes if necessary, via texts to parents.

Once again, I am so sorry. I really wish I was communicating a more positive message and I hope you can continue to support me as I lead our school through such difficult and unprecedented times.

Please take care and stay safe.

Gill Wilson
