

English

Pupils will continue to study 'War Horse'. We will develop our writing through tasks including writing a description of the trenches and reading skills looking at WW1 poetry.

Mathematics

Pupils will develop their ability to multiply and divide using different strategies. They will also further their understanding of fractions. Later in the half term pupils will further develop their understanding of money.

Science

Pupils will continue the chemical reactions unit and develop their knowledge of acids and alkalis and they will make a natural indicator. They will go on to further their understanding of solids, liquids and gases.

Computing

ICT - In this unit, learners will initially examine devices capable of recording digital audio, which will include identifying the input device (microphone) and output devices (speaker or headphones).

Humanities

Through taking part in a 'Castles' unit pupils will further their understanding of the structure of castles, who lived in them, and the different jobs within castles. They will also develop their knowledge of medieval music and banquets.

P.S.H.E

PSHE - Learners will be looking at the relationships they may have with family members, friends and important people around them. We will look at who our family members are, what role they play in their lives, how they spend their time with family and how to follow the rules set at home.

Secondary Class AB

Newsletter

Autumn 'B' 2021

Religious Education.

Through this unit pupils will learn what a miracle is before studying some of the Bible stories telling of miracles e.g. 'The feeding of the 5,000'. They will then develop their knowledge of the 'The Lord's Prayer'.

Physical Education

Pupils will further their understanding of the rules of New Age Kurling, Boccia & Basketball. *Smile Through Sport* will be in school to deliver these sessions and pupils will also develop their skills in these sports.

Creative

Pupils will follow a unit about Pop art. They will develop their knowledge of pop art and create their own pop art poster using a portrait. They will further their knowledge by studying some Pop art artists.

Social Communication

Through our unit on friendship pupils will develop their knowledge of what makes a good friend before designing their own 'Good Friend' recipe. They will go on to further their understanding of how to help their friends.
