

<p><u>English: The Lion, the witch and the wardrobe.</u> This half term we will be looking at imaginary lands such as Narnia and describing them. We will then use our own imagination to create a whole new world with remarkable animals.</p>	<p><u>P.S.H.E: My Active Body</u> This half term we will learn that it is important to be active and how to keep ourselves clean. We will learn about germ spreading and personal hygiene.</p>	<p><u>Mathematics</u> In Maths, we will be covering work on:</p> <ul style="list-style-type: none"> • Number & PV • Addition/Subtraction • Geometry 	<p><u>Computing: Data and Information</u> This unit looks at how a flat-file database can be used to organise data in records. We will use real-life database to answer a question, and present our work to others.</p>
<p><u>Art: 3D Modelling</u> This half term we will create Viking and Anglo Saxon pottery and create papier-mâché battle helmets.</p>	 <p>Spring B Curriculum Newsletter Clair's Class</p>		<p><u>History: Vikings and Anglo-Saxon</u> This half term we will explore the lives, battles and kings of the Vikings and Anglo Saxons. We will look at the battle of Hastings and sequence events in chronological order.</p>
<p><u>Religious Education: Christianity</u> This half term we will learn about why the last supper is so important to Christians.</p>	<p><u>Physical Education: Hockey</u> This half term we will learn how to pass, receive and travel with the ball as well as tackle and shoot. We will develop our understanding of the principles of attacking and defending in invasion games.</p>	<p><u>Music: Fresh Prince of Bel Air</u> This half term we will learn to rap in unison, explore musical instruments and continue our progressing our knowledge on rhythm and melody.</p>	<p><u>Science: Animals including Humans</u> We will learn about life cycles of different animals, including mammals, birds and insects. We will also focus on how mammals, such as humans, change as they get older.</p>

English

You could visit the local zoo or animal sanctuary and photograph and describe any unusual creatures. Or look online! Can you use your imagination to create a new place or read books at home about imaginary creatures?

PSHE: My Active Body

Make sure you are looking after yourself and are keeping healthy. You could keep a health diary and note down when you were active.

Maths

My Maths log in details have been provided and this can be used at home to complement learning in school.

Please ask if you would like details resent.

Computing: Data and Information

Practise your data collection skills at home. You organise your toys and create a tally to show this data.

Art: Viking and Anglo Saxon

You could research ancient artifacts and investigate the patterns used ready to create your own pottery.
