Covid news update

Dear Parents/ Carers,

At Woodlawn School we are no longer recommending the routine use of face coverings for all staff or pupils in our secondary department at school following updated information from Wendy Burke PHE.

At Woodlawn School we will continue with the usual infection prevention and control measures and twice weekly asymptomatic testing for all staff and secondary school pupils along with the advice.

We will also continue to follow PHE advice:

- Adults who are fully vaccinated and all children and young people aged between 5 and 18 years and 6 months identified as a contact of someone with COVID-19 are strongly advised to take a LFD test every day for 7 days and continue to attend their setting as normal, unless they have a positive test result.

Please phone to discuss any questions if you are unsure of the procedure regarding your child.

Thank you for your continued support.

Yours Sincerely,

Gill Wilson
Head teacher
