

Pupil Premium 2017/18

Woodlawn School receives a Pupil Premium Grant (PPG) for each child who is entitled to receive Free School Meals (Ever 6 – have received FSM in past 6 years), Children who are looked after or have parents who work in the armed services.

- We ensure that teaching and learning opportunities meet the needs of all of our children.
- We ensure that appropriate provision is made for children who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed. We do this by strategic overview and tracking undertaken by the Headteacher and Senior Leadership Team for both academic and pastoral care.
- In making provision for socially disadvantaged children we recognise that all pupils who are in receipt of free school meals are not socially disadvantaged.
- We also recognise that not all children who are socially disadvantaged are registered to qualify for free school meals. We therefore reserve the right to allocate pupil premium funding to support any child or group of children which the school has identified as being socially disadvantaged or vulnerable to academic failure
- We ensure that teaching and learning opportunities meet the needs of all of our children.
- We ensure all work carried out through the Pupil Premium is aimed at accelerating progress and moving children forward to achieve at least age related expectations.

Key Priorities

- Our core aim is to raise the attainment and progress of pupils eligible for pupil premium funding so that their performance compares favourably with Non-Pupil Premium peers.
- Address inequalities in education of pupils from low-income families and narrow the attainment gap and progress between these pupils and their Non-Pupil Premium peers.
- Address the social and emotional needs of those pupils eligible for the Pupil Premium funding for whom this support is appropriate.
