

**Impact of Numicon**  
**since its start in September 2015**  
**to June 2017**

One of the key areas of the PP spend has been on training, resources and bespoke intervention programmes to improve pupil outcomes in literacy and numeracy for all pupils. RWI and Numicon were identified as whole school approaches and the following, details the impact these new approaches have had on pupil outcomes since its implementation in November 2015 until June 2017. We aim to continue to analyse this impact over subsequent years.
