

Parent feedback – Homework

- Parents responded to this questionnaire in the parent class coffee mornings and on line via text to parents to ensure as many as possible responded.
- We received 31 hard copy responses and 32 on line responses totalling 63 and 45% of the school pupil cohort.
- The following questions were asked to gain a general sense of parent carer feelings about homework for their child.
- Some questions gave very individual responses and these will be followed up by class teachers to support a bespoke response to meet pupil needs regarding homework.

Response to the questions:

Do you feel your child gets the right amount of homework?

Too little		Just right		Too much		Left blank	
10	15.9%	45	71.5%	2	3.1%	6	9.5%

Would you be interested in further sessions to help with homework?

Yes		No		Left blank	
38	60.3%	21	33.3%	4	6.4%

Would you be interested in further sessions to help with the use of the see saw app?

Individual comments from parents included the following responses:

- X enjoys reading books and music.
- X All works but prefers English based
- The subjects he likes and homework related to these subjects help.
- Reading books and more regular homework.
- X is not keen on homework but he likes reading books.
- On line work would work well.
- X would do homework and we would be happy to support homework in all areas.
