

English

Pupils will read and study Clive Barker's book –The Thief of always'. Pupils will develop their writing skills through describing the various characters and their listening skills by answering questions about the text as it is read.

Mathematics

Pupils will, through a range of practical activities, be further developing their understanding of Geometry in terms of position and direction. Later pupils will also enhance their understanding of money in various contexts and finally statistics and probability/chance.

Science

Pupils will develop knowledge and understanding of relationships in an ecosystem. They will study: food chains and webs; relationships between insects and crops, and how organisms are effected by their environment.

Computing

Pupils will be learning to use and apply IT skills. This will involve creating a presentation, poster, drawing on the computer, researching, taking and including photos and typing up work using Word/Clicker.

Humanities

Pupils will study exploring and mapping the world. They will develop knowledge of: reading maps using a compass; using grid references; ordnance survey maps; biomes and climate zones.

P.S.H.E

Pupils will further develop their knowledge of internet safety and staying safe online. Pupils will learn about effective communication, who we can and cannot trust, permissions & sources of information.

Newsletter

Spring 'A' 2022

Religious Education.

Pupils will explore the meaning of religious miracles and learn about the miracles of the raising of Lazarus and Our Lady of Lourdes. We will also define what miracles are and what a miracle is in different religions.

Physical Education

Pupils will be developing skills and knowledge with regards tennis and cricket. This will include how to serve; return and hold the racket (forehand and backhand) in tennis and how to bowl, bat and catch in cricket.

Creative

Pupils will be learning to design and make various sweet and savoury snacks (that do not need cooking). Pupils will further develop their health and hygiene understanding and some work on graphics looking at food

Social Communication

Pupils will further their understanding of Politics within England and the United Kingdom, including the views of the main parties, who the leaders of the main parties are, what an MP is and what their role is.

English

Here are the first 3 chapters of our book read aloud -
