

English

Pupils will be developing their persuasive writing skills. They will learn about the different features of persuasive writing and then put these into practice in writing. They will go on to further their understanding of how to structure a written argument.

Mathematics

Pupils will be developing their understanding of place value - recognising numbers, ordering, using greater than/less than. Later we will be further developing pupils' ability to add and subtract using different strategies, including BIDMAS.

Science

Pupils will be studying cells and organisation – they will develop knowledge and understanding of microscopes; animals and plants cells and their function; how cells are made, adapt and diffuse.

Computing

Pupils will be developing knowledge, skills and understanding in the use of spreadsheets, quick calculations and gathering data.

Humanities - History

Pupils will be looking at WW2 – the events that led up to the war and the key historical figures. They will develop knowledge and understanding of the impact of the war on ordinary people including the use of propaganda.

P.S.H.E

Pupils will further develop their understanding of a healthy lifestyle including healthy eating, the importance of sleep, exercise and good hygiene, as well as exploring ways to support their own wellbeing.

Secondary Class CJ

Newsletter

Autumn 'A' 2021

Religious Education.

Pupils will discuss and learn about what makes us human. What makes us different to animals, the human experience, music and films about what it is like to be human and what makes a good person.

Physical Education

Pupils will develop badminton skills including various shot techniques, the rules of the game, the differences between singles and doubles and how to correctly umpire a game.

Creative

Pupils will develop knowledge of the National Trust and its links with Beatrix Potter. They will use different mediums such as watercolour and pencil to create landscapes and animal drawings in the style of Potter.

Social Communication

Pupils will explore diversity and identity. They will look at community, the varying roles of gender and LGBT issues in the world today. There will be a great deal of discussion and time spent developing debate skills.
