

English

This term work will be based around the life of children during WW2. We will study primary sources like diaries, newspapers and memoirs for research to gain insight into how life was and the impact evacuation had on families.

Mathematics

Pupils will continue to develop their knowledge of number, place value and addition/subtraction skills. Also using measuring skills and equipment's to estimate and measure different objects, weights and periods of time.

Science

Biology - Pupils will focus on Healthy eating, Food and Digestion and respiration. Why our bodies need a balanced diet to function correctly. We will study different food groups and the nutritional information on food labels.

Computing

Pupils will learn about the positives and negatives of the 'Internet' and how to stay 'safe' when online. We will also work on further improving pupils desktop publishing skills and how it is used to create effect media in the wider world.

Humanities

In History we will learn about the Vikings. Where they came from and when they settled in Britain, and what life was like in that period. We will learn why they were great warriors and explorers and the lasting impact they had.

P.S.H.E

Pupils will study a scheme of work about desert island living. Designed to help start thinking about the wider community outside their families and social groups and about how a community works as a cohesive unit and develop group work skills.

Secondary Class 2 Newsletter DA Autumn 'A' 2021

Religious Education.

Pupils will study the role religious buildings and places of worship in the world's major religions. We will investigate and study the role they play in communities around the world.

Physical Education

Pupils will learn a number of tactics and skills needed to excel in a range of different sports. Participating in team games, mastering basic movements and developing simple tactics for attacking and defending.

Creative

Pupils will study abstract art and the works of the pioneer of abstract artist 'Wassil Kandinsky'. How he and other Bauhaus artists used shapes and primary colours to express feelings and emotions

Social Communication

Pupils will complete a range of activities to get them talking about their feelings. Understanding more about how different people are feeling, how individuals cope best and how we can support each other in managing some stresses.
