

English: Persuasion Text
The BFG – Roald Dahl

This half term we will read and answer comprehension questions linked to The BFG. We will practise basic SPAG features and create a persuasive piece of writing.

Commando Joes: Nancy Wake

During this unit, our team of spies will train to the highest level, remain undetected and complete a range of missions, concluding when they are able to transport allied soldiers across the French border into Spain.

Mathematics

In Maths, we will be covering work on:

Number & PV
Addition/Subtraction
Geometry
Measure –
Time/length/mass/capacity

Computing:
Communication. How can we stay safe online?

This half term we will explore: searching the web, selecting search results, influences of searches, types of communication and how to communicate responsibly.

Art: Plants and Flowers

This half term we will practise our drawing skills, experiment with colour, printing and creating 3d models.

P.S.H.E: Substances

This half term we will learn that there are good and bad medicines, and that these should only be taken when given by a trusted adult. We will explore consent and when and how to say no.

Shauna's Class

Geography: The Amazing Americas

This half term we will find out about the continents of North and South America. We will also look in more detail at some of the contrasting regions of the Americas and compare with our local area.

Religious Education: Our Local Area

This half term we will explore the questions: What can we learn about religious diversity in our area? What can we find out about a local Muslim community?

Physical Education: Football

This half term we will focus on ball control. Through a variety of different games we practise: passing, receiving and dribbling.

Music: Happy by Pharrell Williams

This half term we will listen and appraise songs about being happy, learn to sing the song, play instruments alongside the music, improvise and compose.

Science: Animals Including Humans

This half term we will explore the circulatory system, the heart and blood vessels. We will investigate the effect of diet and exercise on our bodies and research the effect of drugs and alcohol.

<p><u>English: Persuasive Writing</u> Design an imaginary land and create a brochure, poster or piece of writing to persuade people to visit your land.</p>	<p><u>Commando Joes: Nancy Wake</u> Complete some of the suggested tasks on the Commando Joes table sent out.</p>	<p><u>Maths</u> My Maths log in details have been provided and this can be used at home to complement learning in school. Please ask if you would like details resent.</p>	<p><u>Computing:</u> Can you show how to communicate effectively on Seesaw with your friends?</p>
<p><u>Art: Plants and Flowers</u> Observe and draw any plants or flowers in your garden or local area.</p>	<p><u>PSHE: Substances</u> More information and a quiz! What are medicines and drugs? - BBC Bitesize</p>	<p>Autumn A Newsletter Shauna's Class Home Learning</p>	<p><u>Geography: The Amazing Americas</u> Chose a country in south/north America and create a poster with key facts and diagrams.</p>
