Friday 9th Oct 2020

Dear Parents and Carers,

This week we have been visited by Ofsted. They are making 1 day visits to sample schools across the country to see how schools are managing the return this term following the Covid lock down period.

The visit was based on a series of professional conversations with senior leaders.

We discussed:

- the barriers our school has faced and are still facing managing the return to full education for pupils
- how we are ensuring pupils resume learning and the full curriculum in line with DfE guidance, including where necessary, remote education
- how pupils are settling back into expected routines and behaviours
- issues related to our pupils special educational needs and well-being and how we are addressing these
- safeguarding

The visit was successful with the Ofsted inspectors leaving at the end of the day with a full sense of how we, at Woodlawn School, are meeting our pupil and family needs.

I want to take this opportunity to thank you all for your continued support in helping us to make this a very successful return to school.

Yours Sincerely,

Gill Wilson
Head teacher

'The school's work to promote pupils' personal development and welfare is outstanding' – Ofsted October 2018
