### Woodlawn School COVID-19 update

Dear Parents/ Carers,

I wanted to update you with the latest information from the government regarding Covid-19. Following the guidance we will continue to lift the restrictions we have had in school. We will do this in a cautious manner to meet pupil needs. Some KS 3 and 4 pupils have returned to eating their lunch in the dining room today. Other pupils will take a little while to return to this slowly. We will return to group assemblies over the half term.

The current guidance includes the following:

- The contacts of someone positive with Covid no longer needs to self-isolate or take daily tests.
- Face coverings are no longer advised in classes or communal areas for pupils or staff.

We continue to ensure:

- Good hygiene for all
- Maintain cleaning regimes
- Ventilation in occupied spaces
- Follow public health advice on testing and managing confirmed cases.

If we have staff or pupils with a confirmed positive case or with covid symptoms we will continue to ensure they stay at home until a negative LFT on day 5 and 6 or until they have 2 consecutive negative tests. We will also continue to encourage staff and pupils to take 2 x weekly LFT's.

Yours Sincerely,

Gill Wilson  
Head teacher
