Dear Parent/Carers

Due to the current Tier 4 regulations it has been necessary to undertake additional risk assessments to ensure that Health and Safety regulations and guidance are met. It has not been possible to adhere to the regulations in relation to testing and the necessary Covid 19 measures for distancing and ensuring staff and pupil safety within our Post 16 provision. Therefore unfortunately we will not be open to pupils or staff until 18/01/2021. We will move to remote learning and staff will be in contact with you via seesaw.

I am aware that the National picture is ever changing and the situation rapidly changes in line with government guidance. We can only address this when we receive information and this is not timely and cannot be acted upon rapidly.

Please be assured we are constantly working to ensure we can welcome our pupils back when it is safe to do so.

I will keep you updated as and when I have any new information.

Thank you for your continued support,

Nichola Aldcroft
