Re: Pupils in school following February Half Term holiday 2021.

Dear Parents/ Carers,

Thank you all for your continued support through this difficult time. I want to update you on plans following the February Half Term holiday 2021.

We currently await further news from the DFE regarding plans following the break and therefore will continue with the numbers presently in school until **8th March**. As soon as we have further advice we will share this with you to make plans going forward. We are therefore, currently unable to take additional pupils in school.

I would like to take this opportunity to thank you for your support this term with all the work you have supported your child/ young person to complete. The class teams are working hard to keep in touch with all pupils and families during this time to maintain teaching and learning for pupils both in school and at home.

If you have any concerns you would like to discuss further please do not hesitate to call.

Yours Sincerely,

Gill Wilson
Head teacher
